PERSONAL SUMMARY

Detail-oriented Cybersecurity enthusiast with a strong focus on SOC operations, threat detection, and incident response. 3-time BUBT Intra CTF Champion with proven experience in web application security and vulnerability assessment. Proficient in identifying OWASP Top 10 vulnerabilities and utilizing industry-standard tools like Burp Suite. Eager to leverage a background in full-stack development and penetration testing to protect organizational assets in a SOC environment.

TECHNICAL SKILLS

Security Ops: Threat Detection, Vulnerability Assessment, Incident Response, SIEM Fundamentals.

Web Security: SQL Injection, XSS, CSRF, Authentication Bypass, Session Management.

Tools: Burp Suite, PortSwigger Academy, Nmap, Wireshark, Metasploit.

Networking: TCP/IP, HTTP/HTTPS, DNS, Network Intrusion Detection (NIDS).

Operating Systems: Linux (Kali Linux, Ubuntu), Windows.

Programming/Web: Python, JavaScript, Java, C/C++, React, Node.js, Express.js.

Databases: MySQL, MongoDB.

PROFESSIONAL EXPERIENCE

Bugcrowd | Bug Bounty Hunter (Part-Time) Dec 2023 – Present

Accomplishment:

Conducted vulnerability assessments and penetration testing on diverse real-world applications.

Identified and documented security flaws including injection vulnerabilities and broken access control.

Practiced ethical hacking and responsible disclosure, providing detailed technical reports for remediation.

YouthBees (EdTech) | Web Developer Jan 2026 – Present

Accomplishment:

maintained scalable web applications using modern frameworks, ensuring high performance and responsiveness.

- Implemented secure coding practices to mitigate common web vulnerabilities during the development lifecycle.

- Collaborated with cross-functional teams to design user-centric features for the educational platform.

EDUCATION

Bangladesh University of Business and Technology (BUBT) *Bachelor of Science in Computer Science | 2022*
– *Present (Final Year)*

- **CGPA:** 3.25 / 4.00

Shaheed Police Smrity College *Higher Secondary Certificate (Science)*

- **Grade:** A+

Sreerampur High School *Secondary School Certificate (Science)*

- **Grade:** A+

PROJECT

PROJECTS

Network Intrusion Detection System (NIDS)

- Developed a monitoring system to analyze network traffic for malicious signatures.
- Implemented automated alerting mechanisms for potential security threats and unauthorized access attempts.

QuizWeb – Role-Based Security Application

- Engineered a multi-role web platform (Admin, Teacher, Student) using modern web frameworks.
- Prioritized secure authentication protocols and granular role-based access control (RBAC).

Web Application Security Practice

- Successfully completed PortSwigger Labs specializing in the exploitation and mitigation of SQLi, XSS, and CSRF vulnerabilities.

HONORS & ACHIEVEMENTS

Champion (3-Time Winner): BUBT Intra CTF Competition.

Finalist: BUBT Brainstorm Week (Web Project Category).

National Participant: Active competitor in several Bangladesh National-Level CTF events.

Certification: Completed Cybersecurity & Ethical Hacking Course – Cyber Bangla.
